

Intern in the Berlin office

We are currently looking for interns that are interested in being part of our challenging office environment in Berlin. If you are interested in bringing in your skills, are highly motivated and know how to work in a self-directed fashion please contact us.

Next to profound design abilities and a serious interest in expanding and challenging your knowledge in architecture, you should have the following technical skills:

- model making
- autocad
- photoshop and illustrator

Our Berlin office offers two types of internships:

- Mandatory internship (Pflichtpraktikum): up to **6 Months**
If you're required to undertake an internship as part of your studies.
- Short-term internship: up to **3 Months**
If an internship isn't required for your studies and you haven't started, or registered for a Master's degree.

Please send your portfolio as pdf (max. 5mb) or a link to your online portfolio with work samples, a short CV and an intro-letter to: work@f-a-r.net.
